

Safety Plan Sample

Mark Case

DANGER THREAT(S) DESCRIPTION: Drug exposed child; questionable explanation for child’s injury and the nature of the injury. 4 year old child ingested cocaine with no logical explanation provided by any supervising adults.

A. SAFETY PLAN

Actions to Keep Child Safe	Who is Responsible for Each Task?	Begin Date	Resources or People Who Will Help	Frequency of Intervention	Who is Responsible for Monitoring	Target/ Follow-up Date
1. MGG will provide sole supervision to the child in the household and transport child to/from daycare. MGG’s friend will not be allowed to visit with child present.	MGG	Today	Case Manager, Mom, MGG friend,	Daily	MGG, Case Manager	Investigation completion
2. Case Manager will arrange for a temporary new day care center registration. Mark will stop attending his current day care center.	Case Manager, MGG	Tomorrow	Day Care Specialist, MGG	Monday-Tuesday-Wednesday	MGG, Case Manager	Completion of day care center review

<p>3. Mom will move to her friend's apartment, and contact with her child will only take place with either the CPI or Case Manager present. CPI will explain residence and contact plan to the friend and secure her agreement and understanding of consequences.</p>	<p>Mom, CPI, Case Manager</p>	<p>Today</p>	<p>Mom's friend, MGG</p>	<p>Daily</p>	<p>Friend and MGG will contact the Case Manager immediately if there are any violations of the Mom's residence and contact plan.</p> <p>The residence and contact plan will not be altered in any way without Case Manager involvement and approval.</p> <p>Case Manger will have face to face contact with mom weekly; face to face contact with MGG and child weekly</p> <p>If the plans are violated, no further contacts will be authorized, pending a family team meeting and/or judicial/LE. intervention.</p>	<p>Investigation completion</p>
